A course on the proper methods of planting and maintaining trees

Did you ever want to learn how to identify trees? Or how to properly prune a young tree to insure good development? Are you interested in taking care of the trees in our community? Tree Stewards training may be for you!

Class topics include Tree Identification, Tree Biology, Selecting Planting Sites, Selecting Trees, Planting and Care, Health and Maintenance, and Proper Pruning Methods, Classes will be taught by area professionals in our tree care industry.

Registration is 95.00. Each participant is also asked to commit to 40 hrs of community service upon completion of the program.

Tree Stewards who have completed the class in 2004 may sit in the classes at no charge But they will not receive the tools or Certificate upon completion. However they will be required to fill out a registration form and commit to the same 40 hrs that are required of new stewards.

Classes on Mondays will be from 6:30pm-8:30pm at the round house in Byrd Park. The Tree Planting class will be held on Sat. From 9:00am to 12:00pm at the Carillon in Byrd Park.
