

**East District Family Resource Center
in partnership with
Richmond Department of Social Services**

Presents a Series of Forums:

Keeping Children in Our Community

We know that the City of Richmond is full of great resources and strong communities!

What we would like to know from you:

- Resources in your community that might support families, help keep a child out of foster care, or help bring a child back to his/her community
- **YOUR IDEAS** about how the East End can work together to keep children in the community

in
