During the first month of the New Year, the Sector experienced a 20% decrease in Major Crime; a 43% decrease in violent crime (7 incidents reported in 2009 compared to 4 in 2010) and a 16% decrease in property crime (43 incidents reported in 2009 compared to 36 in 2010). The 4 violent crimes reported included: 3 Aggravated Assaults and 1 robbery. Of the 4 violent incidents reported 1 has been cleared with an arrest and the remaining 3 are still being investigated by detectives. The current trend in Property Crime is residential burglary; there were 11 reported during January, 3 of which occurred while residents were out of town for the holidays during December. Also if there is a burglary in your neighborhood I will notify the civic association within 2 days of the incident and ask that the information be disseminated throughout your neighborhood. We will also continue to watch for trends in thefts related to motor vehicles in other neighborhoods.
