

RICHMOND POLICE DEPARTMENT FIRST POLICE PRECINCT 2501 Q STREET RICHMOND, VA 23223

SECTOR 113, NEWSLETTER FEBRUARY 2010

February 1, 2011

It's time again for me to report on how our sector is coming along since January 1, 2011. Below I have posted the reports by neighborhood. As you can see in the month of January we were able to keep property crime flat with a 0% increase/decrease Sector wide and only a slight increase in violent crime by 8% or an increase of one (1) additional crime. This increase was due to the recent homicide on Redd Street. Note: there is a suspect in this case and charges are pending.

On a positive note, I attended several community meetings last month and enjoyed meeting each and every one of you. The information you provide us is invaluable and shows the level of commitment between the police and the community. I encourage you to continue providing us with your concerns and any information you may have that helps us make our neighborhoods a better place to live. Please continue stressing to your fellow neighbors the importance of calling 911 when they see or hear suspicious activity.

With the Holiday Season behind us we are now moving into tax season. I cannot stress enough the importance of not sharing your financial information with others, such as the amount of a tax return you will be receiving from the government if you are one of the lucky ones. If possible you should have your return sent to your account via direct deposit. This eliminates the possibility of your check getting lost or stolen in the mail. If you receive your return by U.S. Mail, and do not have a post office box, check your mailbox as soon as you arrive home. You can track a return on line at www.irs.gov/individuals.

Do not carry large amounts of cash on your person and pay your bills on line or by check. If paying by check, taking your bills to the post office will deter criminals from going into your mail box and stealing your mail, which is a federal offense. If you do not have a checking account and prefer to pay with cash do not accidently flash (show) a bundle of money. Finally, using a debit/credit card from your bank provides you with some security against theft and misuse. Talk to your financial representative at your bank or credit union.

For more safety tips and other useful information visit the Richmond Police website at <u>http://www.richmondgov.com/Police/documents/</u> <u>HWBW.pdf</u>

Let's make 2011 the best year by strengthening our partnership and working together as a team to keep crime out of our neighborhoods.

Lt. Cynthia Riley First Precinct Sector 113 804-646-0574 <u>Cyntia.Riley@richmondgov.com</u>

The next few pages have the crime stats for the various neighborhoods that make up Sector 113
