SECTOR 111, NEWSLETTER

**AUGUST 1, 2011**

**Can you believe July has already come and gone? We celebrated our Nations birthday, Fourth of July fireworks, cookouts and vacations. Where did the time go? Summer is already half over and the 2011-2012 school is right around the corner. I know, I know, don't rush it. Last but not least, don't forget National Night Out is August 2, 2011. Turn your porch lights on and get out and mingle with your neighbors. Show the bad guys who runs your neighborhood!**

**Below I have posted the reports by neighborhood and an overall view of Sector 111. In the month of July, we had a 40% increase in violent crimes and a 4% decrease in property crimes. The violent crime increase was driven by robberies and aggravated assaults. We have made arrests in two of the robberies and have information for potential suspects in the others. All of the aggravated assaults have been cleared and were perpetrated by known parties. B & E's are still up, as well as thefts from buildings. Copper is still a hot commodity, as well as air conditioner units. Vacant homes are the most vulnerable and we need your help to identify anyone you see who does not belong on these properties.**

**Remember, the information you provide us is invaluable and shows the level of commitment between the police and the community. I encourage you to continue providing us with your concerns and any information you may have that helps us make our neighborhoods better places to live. Please continue stressing to your fellow neighbors the importance of calling 911 when they see or hear suspicious activity while it is happening. Together we can stamp out crime. See you August 2<sup>nd</sup>.**
