HAPPY WOODVILLE
 IS THE COLORED MAN'S PARADISE.

It is near Fairmount, not far from street cars and just outside of the city limits.

LOTS

Are level and ready to build on. WOODVILLE is not in the city and not in the county—It is on the borders of both.

YOU SAVE CITY TAXES BY LIVING IN WOODVILLE.

WOODVILLE! WOODVILLE

Any colored man buying one of those lots in WOODVILLE while the price is low, will find himself on the road to peace and happiness. Many colored families now own their own houses there and many more will join them soon. A church has just been built there, and every city convenience at hand. I have only

9 Lots Left.

And they are all choice ones, and will be sold to those who make first application. Lots are 25 feet wide and 120 to 137 feet deep. Grand lots for a home, and well worth \$100 each. **SEND FOR A CIRCULAR GIVING FULL INFORMATION.**

WHILE THEY LAST. YOU CAN BUY ONE OF THESE BEAUTIFUL LOTS FOR ONLY **\$60.00 Cash** OR INSTALLMENT PLAN.

Remember, I have only NINE lots left and they will go to the first applicants and you can never get any more at this price. Go out and see the land, and put in your order quick. You can pay \$3.00 a month on the installment plan. Send for a circular, giving full information, or call and see me and talk it over.

A heavenly day — the day the seniors above were tapped for membership in the Armstrong Chapter of the National Honor Society. Smiling happily after the memorable occasion are (in the usual order) Alease Sully, Junius Williams, Barbara Green, Barry Smith, Joyce Whitaker, Irving Comer, and Shirley Anderson.

PRIMITIVE FACILITIES — This is a closeup view of Miss Goode's outhouse, which is against the law in Richmond. Miss Goode says that her only toilet is frequently out of order.

TOUGH CLIMB — A little girl sits on the makeshift backstairs of this slum house on Louisiana St. The distance between the two steps is almost as big as she is.
